

Richard Grafton Interiors Access Policy

Inside the Showrooms

Harrogate

The showroom is spread over three floors. The ground floor is accessed by a couple of steps and has a mainly unobstructed floorspace.

There is no lift available, which limits access for wheelchair and/or mobilised scooter users or visitors with limited mobility. As such, Richard Grafton Interiors is happy to bring artwork down from the upper floors upon request.

Ilkley

The showroom is spread across one large floor. There are a couple of steps upon entry however we have a ramp available for any wheelchair or mobility scooter users. Please notify a member of our team if you require ramp access.

Wetherby

The showroom is spread across one floor. There is a single step up upon entry however this could be accessed by wheelchair users. We can be on hand to provide any access assistance.

Toilet/ Changing Facilities

There is no public toilet or changing facilities within our showrooms.

Guide dogs / Disability Assistance Dogs

All well behaved dogs are very welcome in our showrooms, whether assistance dogs or family pets.
